

The background is a dark blue field filled with intricate, light blue technical drawings. These include various geometric shapes like circles, squares, and triangles, as well as complex line patterns resembling circuit boards or architectural plans. Some faint numbers and letters are scattered throughout the background, adding to the technical aesthetic.

The background is a dark blue field filled with intricate, light blue technical sketches. These include various geometric shapes like circles, squares, and triangles, as well as complex line drawings of mechanical parts, gears, and network-like structures. Some sketches are more detailed, showing internal components, while others are simpler outlines. The overall effect is a dense, layered pattern of technical art.
